1 Defendants' Trial Exhibit List is supplemented in accordance with Judge Buckwalter's Pretrial and Trial Procedures.

2 In addition to the documents listed herein, defendants reserve the right to use exhibits identified in exhibit lists of other parties.

3 Where a document contains more than one date, the date appearing earliest in the document has generally been used, for purposes of identifying the document only. No legal significance is intended or should be implied from the date referenced.

4 Many documents have been marked as exhibits on more than one occasion. Reference herein is for purposes of identifying the document only. Defendants reserve the right to make a clearer copy or more complete copy of the document as the trial exhibit.

5 Many documents have been produced more than once and sometimes by different parties. Reference herein is for purposes of identifying the document only. Defendants reserve the right to make a clearer or more complete copy of the document as the trial exhibit.
